3. Following Tuesday's meeting with Carlucci you (DDCI) indicated that the space policy and NRO issues had been resolved to your satisfaction. I was told by Carlucci's staff, however, that in response to your comments on Defense's space policy he wants to be prepared to discuss this on Friday. Is there anything you wish me to get for that discussion?

4. Please let me know if there are any changes or additions that you wish to make to the above agenda.
